ROY HESSION
BOOK TRUST

Dear Praying Friends of RHBT,

I am just on the train back from Keswick and the Thanksgiving service for the life of **Peter Maiden**. It was a special time with about 1,800 people in that great Keswick Tent.

The message of 'Calvary Road' and some of my writings are very much in line with the vision and goals of Keswick. Peter Maiden was also some committed to getting the 'Calvary Road' message out and it comes out in his writings. We gave many copies of those out free yesterday.

In our ministry, we constantly have to remind ourselves that it not about books but about the Lord Jesus and His transforming GRACE.

We highly esteem every way that message goes out. We do, however, urge all speakers and leaders to incorporate life-changing books into their ministry. I personally believe this can double their long term ministry.

We had a good RHBT Board meeting near Euston Station, London, and it was wonderful to have our three Board candidates with us: **Dirk Roth** who was my travel assistant back in the mid-1980s. **Lizzie Francis** who is involved in the field of law and my daughter, **Christa Le Vine**. All of them have now accepted our invitation to serve on the Board.

Please keep in mind that we are not just wanting to give our books to you as a gift, but we are hoping you become a distributor and allow us to send you quantities. At present, this due to shipping costs in mainly Europe, India, North America and some African nations.

Please help us promote our two websites:
www.royhessionbooktrust.org
www.georgeverwer.com

We consider you very special, and love to hear from you. I hope more of you will follow my weekly blogs via *YouTube* and *Facebook*.

PUBLISHING OF 'WE WOULD SEE JESUS' AND 'MESSIOLOGY' INTO THE LITHUANIAN LANGUAGE

*'My name is **Christoph Hägele**, I was a missionary in Lithuania from 1998-2011. We were involved in church planting, starting an Evangelical Bible Institute, and in Literature work.*

I have still many connections to Lithuania, because I speak the language fluently, they like to invite me for preaching, seminars, lectures.

During spring time this year I listened to a YouTube sermon from George Verwer. It challenged me and I wrote him back. He asked about good evangelical literature in Lithuanian language and said, he would be willing to support the translation and publication of two books – 'We would see Jesus' (Roy Hession) and 'Messiology' (George Verwer).

*I was involved in the publishing work and I do still have all the connections in Lithuania, we started immediately, and during two months, both books are ready and published. As the Lithuanians are very much engaged with help for **Ukrainian refugees**, and the Lithuania Christian Fund have given shelter to over 50 Ukrainian women and children since the beginning of March - they decided to give all the money from selling the books to help the Ukrainians.*

Free copies of the books are already given to the pastors, and also more copies to sell for the Congregations. They promote the books via Facebook and recommend it.

Thank you very much for your support for the Lithuanian churches by publishing these two very helpful books'!

Extract from the 'Calvary Road' by Roy Hession

The Highway of Holiness

'An 'overall' picture of the life of victory, which has come to many of us, is that of the Highway in Isa. 35: 'And a highway shall be there, and a way, and it shall be called the way of holiness.' The picture is that of a Highway built up from the surrounding morass, the world. Though the Highway is narrow and uphill, it is not beyond any of us to walk it, for 'the wayfaring men, though fools, shall not err therein.' Though there are many dangers if we get off the road, while we keep to the Highway there is safety, for 'no lion shall be there, nor any ravenous beast shall go up thereon.'

And it ends: 'So this is the Highway life. It is no new, astounding doctrine. It is not something new for us to preach. It is quite unspectacular. It is just a life to live day by day in whatever circumstances the Lord has put us. It does not contradict what we may have read or heard about the Christian life. It just puts into simple pictorial language the great truths of sanctification.

To start to live this life now will mean revival in our lives. To continue to live it will be revival continued. Revival is just you and I walking along the Highway in complete oneness with the Lord Jesus and with one another, with cups continually cleansed and overflowing with the life and love of God'.
